Mr. Duckett

1. [REDACTED] called this morning just to advise that he is back from the West Coast and that he had a very profitable series of briefings out there. He asked that I pass the word along to you just for your information that he has arranged with NPIC [REDACTED] for VADM Tom Connelly to be briefed next Tuesday afternoon, 23 May, from 1400-1700.† Adm. Connelly is DCNO for AIR (Op. 05), a long-time personal friend of Harry, and a classmate of Adm. Taylor. Accompanying Adm. Connelly will also be two RADMs and a Captain James. Harry advised Capt. Garbo (Navy COMOR Rep.), and he will also mention this to [REDACTED]

2. Because Harry set this up and because Adm. Connelly is a classmate of Adm. Taylor I thought this information would be of interest to you.
